## Projects

**Heaven Beauty Salon Website Development:-** Designed and developed a responsive website to enhance online presence using HTML, CSS, JavaScript, Bootstrap, jQuery, AngularJS. Improved the salons online visibility and client engagement.
GitHub: https://priyam9.github.io/salon-academy/

**Weather App Development:-** Created an interactive and responsive weather application utilizing HTML, CSS, JavaScript, and Weather API. This project involved fetching real-time weather data and presenting it in a user-friendly interface to enhance user experience and engagement. The app allows users to search for weather conditions in various locations, displaying current temperature, humidity, wind speed, and forecast details.
GitHub: https://priyam9.github.io/PRODIGY_WD_05/

**Adidas Online Shopping Experience:-** A web development project replicating the Adidas e-commerce front-end using HTML, CSS, JavaScript, and Bootstrap for a visually appealing and user-friendly online shopping experience.
GitHub: https://priyam9.github.io/adidasclone/

**Personal Portfolio Website:-** A responsive online platform to showcase skills, experiences, and projects using HTML, CSS, Bootstrap, and JavaScript.
GitHub: https://priyam9.github.io/portfolio_9/

**Body-Flex Gym Management:-** Created a web application for efficient gym management using HTML, CSS, Bootstrap, Django, and MySQL. Features user registration, membership management, and scalability.
GitHub:https://github.com/Priyam9/django_gym_management

**To-Do List Application:-** Built a task management system with a tkinter GUI and MySQL database for task data storage. Included task management, user-friendly GUI, and data persistence.
GitHub: https://github.com/Priyam9/to-do

**Web-Based CRUD Application:-** Developed a user-friendly system for managing data through a web interface using Python, Django, HTML, CSS, and MySQL. Simplified data management with create, read, update, and delete functionalities.

## Passion

Passionate about technology and its transformative potential. Enthusiastic about solving problems through coding and continually learning new technologies to advance as a skilled full-stack developer.

## Personal Information

Address:-1/B/22,Matrushraddha Apartment, Tilak Nagar, near Tilak High School, Dombivli (East).
